Clinical Seminar

IN COOPERATION WITH

Union of European Neonatal & Perinatal Societies

Founded 2006, July 1; Info at www.ipokrates.info

Perspectives and Advances in Maternal and Neonatal Nutrition and Neonatal Gastroenterology

OBJECTIVES

IPOKRATES seminars provide high-quality postgraduate education that enable professionals to keep abreast of the most recent developments, and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This seminar deals with the understanding and management of gastro-intestinal disorders and nutritional care problems, mainly in prematures.
